

Welcome back! I have had a fantastic week getting to know all the children and so many of our parent community. Thank you for making me feel so welcome. I recently moved from London to Bristol and already King's Oak Academy feels like home. We have such an exciting term ahead.

I look forward to continuing getting to know you all.

Autumn Term Learning

The children have had a fantastic start to the autumn term, where they have been taking part in lots of phonics, reading and maths activities.

We look forward to watching the children progress over Term 1. Well done everyone, great start to the new academic year!
