

As we come to the end of week 3 of our new academic year, we have lots of exciting news and information to share with our community. Across the lower school we have had a busy week with lots of learning to be shared across KS1 and KS2. Children in years 1 and 2 are working hard on their phonics, whilst in years 3 and 4 children have been showing a huge amount of resilience when it comes to times tables. We hope you have a lovely weekend and looking forward to a new week on Monday.

Cashpot for Schools

ASDA has a new initiative for schools where almost £1million has been raised for UK Primary schools across the first 72 hours. If you have or are able to download the Asda Rewards App on your mobile phone, you will be able to select King's Oak Academy or type in our postcode which is BS15 4JT. All money raised will go directly into the school and used to support our children.

CUPPA at KOA

Come and join us for a CUPPA at KOA!

Our weekly CUPPA meetings are a great opportunity for families and carers to come together for a morning of coffee, chat and support. Join us every Thursday from 9.00am — 10.00am on the Lower School Site.

Big Brush Club

We know how important it is to ensure our children's teeth are brushed twice a day but also recognise children may be reluctant to do so. See below a link provided by The Big Brush Club to help support them and you with their Oral Hygiene.

Reception are in Full-Time!

This week we welcomed our Reception classes in full time! The children have settled in beautifully where they have explored a range of learning such as maths, English, phonics and our outdoor provision. The children also had the opportunity to practise their cutting skills using a range of objects.

Timings of the School Day

See below a table of timings for the school day for Lower, Middle and Upper School. Please can I remind you that children are welcomed into classes in the morning for a prompt start at 08.25am and collection at the end of the day is 15:00pm.

PCSO Visit

This week we had a fantastic visit from the community police, who spoke to the children about their role in our community and how they go above and beyond to help others every day. The children asked lots of insightful questions about their job roles and the challenges they face each day.

Speech and Language Course for 0-5

We have last minute availability for a highly valuable course on Speech and Language in the early years.

Please note that due to the last-minute availability, spaces may be limited. We encourage you to secure your spot by registering [online here](#) for free.
