Mrs Watts
Assistant Principal
Head of Middle School

Dear Middle School families,

We have had a couple of busy weeks, with trips, visits, learning and assessments!

Year 5 visited a Roman Museum in Wales; many of our Year 6 children completed their Bikeability courses; Year 7 had a visitor in to share the dangers of distraction around roads and Year 8 found out more about the impact of Peer Pressure and Influence in an assembly ran by a guest speaker. Year 7 and 8 also enjoyed welcoming Avon Fire and Rescue into school; in this session, they learnt more about issues currently affecting youths locally, including dangers of fire, arson and recent fire crimes in the local community.

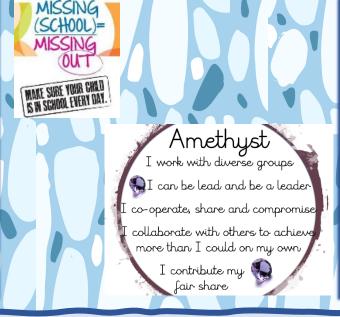

All children in Year 5-8 are completing assessments this term: Year 7 and 8 have already begun, Year 6 complete their assessments this week and Year 5 next week. Teachers across Middle School use the assessment information precisely to plan learning, address misconceptions and identify who and what to target in class or in interventions. I am always proud to see how well our children focus on these assessments, problem solving (Diamond), recognising mistakes in order to learn and building resilience (Emerald). I also love seeing and hearing about how our learners come together, supporting each other throughout assessment weeks (Ruby).

I look forward to seeing you all soon, Mrs Watts

Attendance Update:

Congratulations to 7.4 for having the best attendance in the first week of term and well done to 8.5 for having the most improved attendance over the past week.

We look forward to seeing who **Apollo** will get to spend the week with when we look at most improved attendance at the end of the week.

Sports Fixtures

We have had a number of sporting fixtures over the past couple of weeks in Middle School and are proud to share some incredible results from our sporting stars!

A number of our Year 7 and 8 girls travelled to Truro High School
 on Monday 15 January to represent KOA and Bristol Rovers FC in the Under 13s Utilita Cup
 Tournament! We are delighted to share that the girls won 4-1 and are now through to the
 next stage, where the top 8 schools nationally will be competing for the cup. This is an

incredible achievement. **Well done** to all of our players and a massive **thank you** to their fantastic coaches: Mrs Harrold and Mrs Salvage. I'm sure that the whole Middle School community will share in wishing the girls **Good Luck for the next round!**

• The Year 5/6 Football Team have progressed onto the next stage of our league and, on Friday (19 January), played a match against St Augustine's. We won 6-0! Our teachers were really impressed at our determination, perseverance and support of each other; they were also very proud of how we demonstrated our school value 'be kind': we were welcoming, polite, and always helped the other team up and checked they were ok after some of our more exuberant tackles! We will be looking forward to seeing how the team continue to use their Amethyst Power on Thursday, when they play Cherry Gardens. Good Luck!
