Dear Parents and Carers

As you might be aware, members of the National Education Union have voted for further industrial action which will impact King's Oak Academy in Term 5. These strikes – the result of a pay dispute between union members and government – are scheduled for Thursday 27 April and Tuesday 2 May. In a similar manner to the first period of industrial action in Term 3 and 4, there is likely to be disruption to the King's Oak Academy routine during the next two weeks and some scheduled lessons will be unable to go ahead. As ever, student wellbeing remains our priority, and careful risk assessments have been carried out to assess which lessons and activities can safely continue.

The information below shares our plans for **Thursday 27 April and Tuesday 2 May**. Please note that these arrangements may need to change ahead of next Tuesday/Thursday. We will continue to work closely with our staff union representatives to keep up to date with the situation, and I will inform you of any changes to our plans and share information as soon as possible.

What will my child do on if they are not offered an on-site learning space?

We know that learning from home is not always straight forward for families. On Wednesday 26 April we will upload a variety of home learning activities for all year groups to complete at home on Thursday 27 April and Tuesday 2 May. We will try to make sure that the activities are as accessible as possible for everyone (e.g., some activities might require a child to use a computer, whereas others could be completed on paper or completed as a family project/experiment).

Please be aware that we will not expect every child to complete every element of work that is uploaded, and all of the home learning activities will be sent via SeeSaw (Years R-4) / Insight (Years 5 -10).

Please Note – *If you would like a paper based pack of learning, please complete this form [\(click here\)](#) or call our school office (01179 927 127) by midday Tuesday 25 April March so that we can prepare this for your child to take home on Wednesday 26 April.*

How do I know if my child has been given an on-site space at school?

The parents/carers of children in Years 7-10 who will be offered an on-site learning space will be informed by email (SeeSaw / Insight) and/or phone on Friday 21 April. Within this message, parents will be reminded where they should take their child on arrival so that they can be registered and taken to the correct learning space.

Are the arrangements that you have shared above final and confirmed or could they change?

Please note these arrangements may need to change ahead of each period of industrial action. We will continue to work closely with our staff union representatives to keep up-to-date with the situation, and I will inform you of any changes to our plans and share information as soon as possible.

I am sure we all hope for a swift resolution to this dispute which will satisfy all parties. Until then, we recognise and respect the right of King's Oak Academy staff to take part industrial action and ask that all members of our community continue to treat each other with respect. And while I understand this situation may be frustrating, your continued support for our school at this time is appreciated.

I do hope this has answered your questions and will allow you to plan ahead for any disruption. However, should you have any further questions, do please contact the school through the usual systems (email: koa.office@clf.uk / phone: 01179 927 127).

Kind regards

Katherine Ogden
