

MCa/JWe
12 September 2022

Dear Parents and Carers,

As we enter the second week of this academic year, we would like to celebrate the positive start to this academic year. We are delighted to see our students return to **working hard** in their lessons and **being kind** towards other students, staff and visitors to the academy.

As you know, we expect all students to be in the Right Place at the Right Time. King's Oak Academy adults have recognised that pupils have made a considerable effort to do so; they have worked hard to enter the school premises on time and in a calm and considerate manner. It has been wonderful to see Lower School pupils returning to school ready to **Work Hard** and **Be Kind**.

We'd like to use this opportunity to thank all parents and carers for supporting your children to ensure that they settle in well.

Friday we talked to our older pupils about the positive contributions they can make to our school's community and we will continue to reinforce our high expectations of their conduct near and on our school premises at the beginning and end of the day. We expect our children and young people to be mindful of Road Safety rules, show respect to the members of the public and use appropriate language when communicating with one another at all times. To that end, we invite all other members of our school's community, including parents and carers, to act in accordance with these expectations to model values of respect, contribution and responsibility.

Finally, we'd like to thank you for supporting your children to attend school. Setting good attendance patterns from an early age, from primary school through to secondary school, contributes to better educational outcomes and regular school attendance encourages the development of other responsible patterns of behaviour.

We are looking forward to seeing you all next week.

Yours sincerely,

Maria Cerepanova
Head of Lower School

WORK HARD, BE KIND
