

DJn/JWe 01 November 2023

Dear Parent and Carers,

As part of our PHSE curriculum and Healthy Living we are pleased to confirm that we will be having a visit from OddBalls on Thursday 09 November 2023. Oddballs are not only an underwear company but since 2015 have been raising awareness of Testicular Cancer through their charitable organisation The OddBalls Foundation.

All students from Year 7 to Year 11 will come to a special assembly hosted by an OddBalls Foundation Ambassador delivering a talk on *"Testicular Cancer; reminding boys and men to check their balls – and removing any stigma and embarrassment about it!"*. They will also be advising students on the signs and symptoms of Testicular Cancer and how to support someone who may have Testicular Cancer.

If you would like to find out more information, please visit: The OddBalls Foundation

All students will be expected to attend, however if you do **not** want your child to participate, please complete the following form: <u>Opt Out Form</u>.

We are also in the process of organising a Breast Cancer assembly, when we have more details, we will let you know.

If you have any questions please contact me via your child's school office: <u>KOA.MiddleSchool@clf.uk</u> or <u>KOA.UpperSchool@clf.uk</u>

Kind Regards,

D Jackson

Daniel Jackson Teacher of Health
