

Chair of King's Oak Academy Council

I am privileged to be the Chair of the Academy Council at King's Oak Academy and am particularly excited to be involved in the development of this all-through academy. I have an educational background having worked in a range of Secondary schools. My experience has included working at a senior level as Assistant Headteacher and also a period as a Maths Consultant with South Gloucestershire Local Authority. I have been involved in governance for the last 10 years.

I am passionate about education and believe that every child should have the opportunity to achieve the very best outcomes, both academically and personally, within a safe and supportive environment. I work closely with the Principal and other members of the Academy Council to both challenge and support the Academy in ensuring that we provide every child with an excellent educational experience.

Diane Owen, Chair of King's Oak Academy Council
