Dear families

General information for Reception

We hope that you enjoyed the festive break. Please see below, important dates and information which will be relevant for this term.

- **P.E.** will usually be on **Mondays** and **Thursdays** this term.
- As the children have access to the garden throughout the day, please ensure that they have suitable clothing for the colder weather.
- **Reading:** Children should have their reading book and reading record in school everyday. We will change reading books every **Friday**. You are welcome to change reading books more frequently, at Book Club.
- **Topics and Trips:** This term, we will be learning about transport and travel. We will look at how things move and what is the best way to travel.
- **Book club:** We will continue an after school book club every **Tuesday** and **Thursday** after school. This will run from 3-3.15pm. This is an opportunity for you to come into school to join a reading session with your child, where you can use the school's resources and also read your child's reading book. This is a great opportunity for anyone who has a child who is a 'reluctant reader' - as staff will be on hand to support and encourage them with you. Each child must have an adult attending book club with them. We would ask for you to collect your child as normal, wait on the playground for a few minutes until everyone has been dismissed – then we will invite everyone back in to join the book club fun. **Everyone is welcome to attend!**
