

 Reception Homework Menu Term 3 Pick and choose to complete any of the activities below. We would love to see any learning that you complete!			
Starters	Practise writing your name. Can you form all of the letters correctly?	Can you create a poster all about opal power? That is our power to stay safe! 	Draw a picture of all of the people that you trust. Can you write their names? 
Main	Design and draw your own vehicle. How many wheels will it have? What are its special features? Where will it go? 	Help to make a delicious meal at home. Send us a picture or a video! 	Practise reciting numbers 1-20. Go on a number hunt when out walking. How many different house numbers can you read? What numbers can you spot in the shop? 
Dessert	Have a go at making your vehicle! You can use any of the materials that you have available at home. Please send us a picture or bring your creation in!	Investigate what can float or sink. Fill the bath, sink or bowl with water – investigate which objects float and which ones sink!	Challenge yourself to learn how to read and write these Reception tricky words. the to I no go into
