Dear Parents / Carers

Firstly, thank you for your on-going support and cooperation with the phased return and testing (where appropriate) of students as we enter the new year and new school term.

We are aware of major road works that are currently taking place along Grace Drive with temporary lights in place within Grace Drive including Tennis Court Road which will be in place until the 20 March 2022.

To avoid any disruption to your journey to and from the Academy we would advise that you seek an alternative route during this period and allow extra time for your journey.

If we receive any further information in relation to these works, we will of course update you.

Kind regards

Katherine Ogden
