Dear Parents and Carers

London Science Museum Year 10 STEM Careers Fair 2024

As part of our STEM and careers programme, we are offering our Year 10 students the chance to attend a **STEM Careers Fair** held at **London Science Museum** on **Thursday 28 November 2024**.

The event aims to inspire students, where they will have the chance to meet employers, get involved in careers-based discussions and hands on activities, and use and develop their STEM skills. Students will also get time to explore different parts of the museum.

We will be leaving for the event at **7am** and arriving back at school at approximately **5.30/6pm** (traffic dependent). Students will need to be in **full school uniform** and will need a **packed lunch** and **snacks** as it will be a long day! If your child receives a free school meal and requires a school packed lunch, please complete the form here <https://forms.office.com/e/6YNLcqNM4z> so these can be ordered with the canteen staff.

We are asking for a payment of **£15.50** per student, to cover the cost of travel. If you would like your child to be able to attend the trip but are unable to meet this cost, please contact me at Laura.Phillips@clf.uk to discuss.

Spaces on this trip are limited to **63** and will therefore be allocated on a first come, first served basis. If you would like your child to participate, the trip is available for sign-up on the My Child At School (MCAS) app. Please note, payment cannot be taken through this app and must be paid via SCOPay. Final deadline to sign-up is **Friday 4 October**.

If you have any questions, please contact me on Laura.Phillips@clf.uk

Yours sincerely

Mrs L Phillips
Associate Assistant Principal for STEM
