Uniform Consultation Process

Here at King's Oak Academy, we have high expectations of all of our students. Our uniform policy aims to provide a way for students to show that they are proud to belong to our school community, giving a sense of belonging and ensuring equality amongst students.

We are now in the final stages of the 2022 uniform consultation process and have narrowed the proposed uniforms down to two options. This week we are consulting with parents, students, and staff to determine which uniform design we will adopt in 2022.

Please read the attached slides for a detailed breakdown of the uniform options. If you would like to have your voice heard and to offer any feedback about the designs, please can you complete the following survey ([click here](#)) by Tuesday 22 June 2021.

Samples of the uniform options are available and will shortly be displayed in Main Secondary site Reception.

Thank you in advance for your help and support to complete the parent voice survey.

Many thanks.

Kind regards,

Katherine Ogden
Principal
