

 <b>Year 1 Homework Menu</b> <b>Term 3</b>			
<b>Starters</b>	Go for a walk and practise walking on tiptoes. Can you walk in a straight line? How long can you walk on tiptoes for?	Use sticks, wool/string and things you find outside to practise weaving. 	Draw a picture of your favourite place. 
<b>Main</b>	Draw a picture of a bear and write a description of it. You might need these words to help you.....  Bear, ears, fur, paws, claws.	Practise reading and writing our tricky words. Which ones will you learn first from our new shapes: teddy, boat, bus or flower?	With an adult, look on the internet and find out one fact about Judaism. BBC Teach is a good place to start.
<b>Dessert</b>	Count in 2s beyond 20! Can you pair up the socks at home and then count them in 2s? 	Enjoy sharing stories at home with books from our class library.	Draw a picture of an old telephone. (Think back to the red one we explored during our visit from Kingswood Museum).  Think about how phones have changed.
