

	Year 2 Homework Menu Term 2		
Starters	Design your own alien character: 	Draw and label the 4 countries that make up the United Kingdom. 	Create a rocket picture using 2d shapes - Can you label the different shapes you have used? 
Main	Write a diary entry pretending that you have been taken to outer space and made a friend on a new planet. 	Visit your local library and find some books about Kenya 	Solve my riddle and then write your own: I am thinking of a number. My number is in the 5x table. It is larger than 20 but smaller than 30. It is odd. What is my number?
Desert	Create a comic strip in the style of 'The Lights on Cotton Rock' about an alien visiting Kingswood. 	Write a letter to another child living in Kenya. What might you tell them about your life? What questions might you have for them? 	Find all of the different ways to partition the number: 86
