

## Year 3 Homework Menu Term 2

Starter	Create a collage of photos of you enjoying the Autumn and Winter weather. You might like to include some natural objects too!	Can you make a simple questionnaire about the landmarks in the South-West to find out more information about them?	Story map your own fairy-tale - think about characters and setting.
Main	<p>Have fun looking at where and when shadows form. Try to make shadows with torches and your hands.</p> 	<p>Try a sound check on TTRS.</p> 	<p>Research about our 'Mathematician of the Term'. <b>Ada Lovelace</b> Who is she? Why is she remembered? What else was happening during her lifetime? Who else lived during her lifetime?</p>
Dessert	Have a go at identifying what parts of your favourite songs are high pitch and which parts are low pitched. Can you make a list and rank the songs that are the highest and which songs are the lowest.	<p>Create an information page about why YOU are fantastic. What are your good traits, what do you do well at, why are you fantastic. Can you share with a friend and celebrate each other's differences and similarities.</p>	Create a poster of your family using the French words for each family member.
