Dear Parents and Carers

With only 24 school days remaining until the start of the GCSE summer exam series I am writing to you to share some important updates to ensure that your child is well supported and prepared for their upcoming assessments.

Easter Revision

We are pleased to announce a programme of revision and support for your child during the first four days of the Easter break. Revision sessions will take place from Monday 3 April until Thursday 6 April 9am – 3:30pm. Your child will be able to sign up to participate in two different subjects per day; one in the morning (9am – 12pm) and one in the afternoon (12.30pm – 3pm).

	Monday	Tuesday	Wednesday	Thursday
AM and PM Subjects	English	Maths	Science	DT
	Business	History	Computer Studies	French
	Geography	Geography	Art	History
	DT	Drop In	Drop In	Drop In
	Drop In			

N.B Drop In – this session is an opportunity for your child to work in a computer room and be supported by a member of staff to complete independent revision or complete outstanding coursework.

We strongly encourage all children to attend at least 1 revision day during the holiday period and a booking link will be shared with you in the coming days so you can sign your child up to attend these sessions.

GCSE Information Evening

On Tuesday 18 April (5-6pm in the Hexagon) we will be holding a Parents' GCSE Information Evening ahead of the summer exams. The purpose of the session is to provide you with all the required information ahead of your child's GCSE exams so that you know what to expect and what your child will need to do as well as being able to talk with leaders about how you can support your child at home during the GCSE exam period.

We hope to be joined by colleagues from our CLF Post16 as well as the local Colleges and Sixth Form centres so you can talk with these providers about the next steps for your child's P16 education.
